ABC BANK

CUSTOMER SUPPORT • FREQUENTLY ASKED QUESTIONS

DEMO DOCUMENT All contact details, policies, amounts and addresses below are fictional sample values. Do not use for real banking.

1. Frequently Asked Questions

How do I open a savings account?

Complete the sample account-opening form and provide the requested identity and address documents. For this demo, the review target is **1–2 business days**. Actual requirements and timelines vary by bank.

How can I check my account balance?

Use the bank's verified mobile app, internet banking portal, ATM, or a branch. Never share your password, PIN, or one-time password (OTP) with anyone.

What should I do if my debit card is lost or stolen?

Immediately lock the card through the official banking app or contact the verified support number. Ask support to block the card and explain the replacement process.

How do I report a transaction I don't recognise?

Contact support promptly using a verified channel. Share the transaction date, amount, and reference number through the bank's secure process. Never send a full card number, PIN, password, or OTP by email or chat.

When will a fund transfer reach the recipient?

For this fictional example, transfers within ABC Bank are shown as usually completing within a few minutes. Transfers to other banks may take longer and depend on the payment network, cut-off times, and checks.

Are there fees for account services?

Sample fee schedule: monthly account maintenance — ■0; replacement debit card — ■250; printed statement — ■50. These are invented figures for this document and do not represent real fees.

How do I raise a complaint?

Email support with a short description and any relevant reference number. The sample service target is to acknowledge complaints within 1 business day and provide an update within 5 business days.
